

He's AGAINST:

- Equal employment rights
- Equal housing rights
- Equal access to public accommodations
- Equal marriage rights

... for Lesbian, Gay, Bi and Transgender people.

- He uses his Religious Right broadcasting empire to push this hateful and discriminatory agenda.

... and Chicago's Museum of Broadcast Communications is foolishly honoring him with an award.

Protest against

Focus on the Family's James Dobson

in Chicago

5:30 PM - Saturday, Nov. 8th

**Renaissance Chicago Hotel
1 W. Wacker Drive (at State Street)**

The Museum of Broadcast Communications (MBC) is inducting religious right bigot James Dobson into its "Hall of Fame." Besides using his broadcast empire to lie about LGBT people, Dobson has been a leading proponent of taking away our rights, including heavily supporting California anti-gay referendum this November.

While open hate against many minority groups is fortunately less tolerated than in generations past, the MBC apparently thinks it's still open season on LGBT people. Please contact the Museum and demand that they rescind this honor: telephone 312.245.8200, email brucedumont@museum.tv

And please join us for a protest outside the MBC induction ceremony,

5:30 to 7:30 PM, Saturday, November 8th,

Renaissance Chicago Hotel, 1 West Wacker Drive.
